It was always a dream to own and operate our very own restaurant. That dream became a reality when we opened Punky's Pizza & Pasta on the corner of 26th and Wallace in October of 2002. We were born and raised in the Bridgeport/Chinatown neighborhood, we've always worked here, resided here and even raised our own four children here. Giving back to a community that has given us so much is very important.

We have perfected our family recipes and we're happy to share the finished products with our neighborhood and beyond. We believe in using the highest quality ingredients in our dishes. Our main goal is to serve you only the very best!

The success of our restaurant is a reflection of your support. We appreciate your loyalty to us more than you will ever know. From the bottom of our hearts, thank you!

Enter as friends, leave as family...and we mean it!

Thanks for being part of our family.

Gratefully,
Vince "Punky" & Marianne Scarlata
